Project Graduation 2023

What is Project Graduation?

Project Graduation is an all-night adult chaperoned, drug and alcohol-free celebration for the graduating seniors in a safe and fun environment. Each year the majority of the senior class attends this AWESOME event! It starts right after graduation and ends the next morning. Project Graduation is a parent-planned event and **requires FUNDRAISING in addition to the cost per graduate because the actual cost per graduate is \$300.00. The early bird price is \$200 until September 30th, 2022. After September 30th, the price will go up to \$250.00.**

Why do we have Project Graduation?

Project Graduation was started to keep graduates safe after graduation. It is also a great way to say goodbye to classmates, some of which you may never see again.

What will we do at Project Graduation?

Graduates will get dinner and food throughout the event. There will be a variety of activities all night long. There will be something for everyone-lots of choices!

Why is the location of Project Graduation a secret?

The location of Project Graduation is kept a secret to prevent non participating friends from trying to "crash" the party. A small group of parents know where the event is and will not share that information with other parents or students. If requested, parents can be given a contact number of an adult chaperoning the event.

If you have questions or want to help, whom can I talk to?

You can contact Mrs. Koopman in H209.
